

## **DAVIDE BALLIANO**

**My tears will be light in the night of your eyes**

**June 5th - July 31st 2009**

**Opening June 5th, 6 pm**

Jarach Gallery is glad to present "MY TEARS WILL BE LIGHT IN THE NIGHT OF YOUR EYES".

The first solo exhibition in his own spaces by Davide Balliano, soon after his debut at the Artist Space in New York, where he recently presented "THE HEART OF YOUR MOTHER FOR MY DOGS", an exhibition/performance organized by Marina Abramovic.

As it was the continuation of the telling which began overseas, the installation across the Jarach Gallery splits up into different elements and directions, in order to sow the interpretation keys all around.

Shifting from installation to drawing, from photography to video, the exhibition slowly moves across a dark and oppressive environment, as it was a subject, a shadow hidden in the space.

The relationship between place and body, time and its perception are the fundamental elements of Davide Balliano's poetic structure, and recurrent factors of a complex research which presents itself like a constantly evolving Gothic architecture.

**Davide Balliano** is born in Turin in 1983. His work has recently been presented at the Artist Space in New York and at the Kitakyushu Biennial (Japan). Shortly his work will be presented in Via Farini gallery in Milan (June to September) within the project Curatology.

In 2008 he has been among the finalists of the Premio Riccardo Pezza with a video work, which is now part of the permanent collection at the Museo di Fotografia Contemporanea in Cinisello Balsamo, Milan. He lives and works in New York.
